Complementary products 2024

This brochure provides an overview of the complementary products and is compiled by Momentum for Wooltru Healthcare Fund members.

You may choose to make use of additional products available from Momentum Metropolitan Holdings Limited (Momentum), to seamlessly enhance your medical fund. Momentum is not a medical scheme, and is a separate entity to Wooltru Healthcare Fund.

The complementary products are not medical scheme benefits. You may be a member of Wooltru Healthcare Fund without taking any of the complementary products.

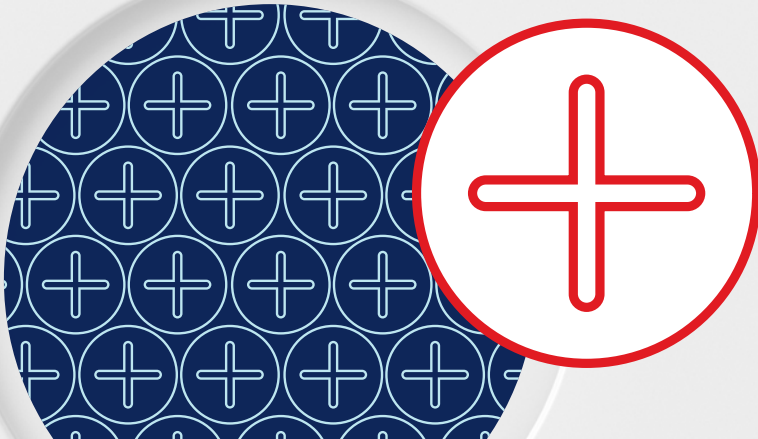

Unlocking real value by combining integrated solutions

Momentum's complementary products have evolved from providing Wooltru Healthcare Fund members with a more flexible savings solution to a fully-flexed, combined offering that unlocks a unique value proposition which truly rewards members for placing their trust in us.

At the heart of an integrated solution that includes HealthSaver and Hello Doctor sits Multiply, a programme that rewards members from day one for looking after their mental and physical health.

Momentum **Multiply**

If you are a member of Wooltru Healthcare Fund, you have free access to Multiply Engage. Engage membership unlocks base level rewards. For a monthly membership fee, you can upgrade to Multiply Engage Plus and boost your rewards.
