

February 2025

Dear Saver Option Member

### **Wooltru Healthcare Fund Saver Option 2025**

The **Saver Option** offers a range of healthcare benefits from day-to-day to major medical services, a medical savings account (MSA) and additional services, such as preventative testing that are both comprehensive and affordable, ensuring that you and your family have adequate cover for the year ahead.

**Saver Option** members may only use the [Saver Option network of hospitals](#) consisting of **Mediclinic, Netcare and a few other private hospitals** for in-hospital treatments and admissions. Please consult with your doctor and/or specialist prior to any hospital admission to ensure that your admission is scheduled at a [Saver Option network hospital](#). Should you choose to make use of a different hospital voluntarily, you will be responsible for a co-payment consisting of 25% of the total hospital bill. In an emergency, a member may seek treatment from any hospital. Once the patient's condition is stable, they may transfer to a network hospital, if applicable. Visit the Fund's website at [www.wooltruhealthcarefund.co.za](http://www.wooltruhealthcarefund.co.za) to view the hospital network list or contact Client Services on **0802 228 922** to assist you in finding network hospitals within your region.

Should you have any enquiries in this regard, please do not hesitate to contact us on **0802 228 922**.

Yours faithfully

**Wooltru Healthcare Fund**
